CHUGACH GOVERNMENT SOLUTIONS LLC SELECTS TOM LANGDON DIRECTOR OF DIGITAL SOLUTIONS

(Anchorage, Alaska) – Chugach Government Solutions, LLC, (CGS) selected Tom Langdon as Director of Digital Solutions. In this role, Langdon will lead the Digital Solutions team responsible for digital infrastructure and projects, system applications, security and compliance enterprise wide.

Langdon joined CGS in 2019 as the Manager of Digital projects responsible for the project management of projects supporting a wide range of digital services. Seasoned in the IT field, Langdon has over 10 years of experience working with enterprise wide systems and support services for the University of Alaska system. Langdon has a Bachelor of Science degree in Biomedical Engineering from Marquette University in Milwaukee and an MBA from the University of Alaska Fairbanks.

Langdon shared of his new leadership role, “I am incredibly excited to begin this new role particularly as we embark on several new enterprise information systems. Facilitating our business units to leverage technology better and faster is an incredible opportunity I’m looking forward to engaging on.”

Kathy Grimes, SVP of Operations Support, shared her confidence in Langdon, “Our focus on improving and optimizing our digital systems is one critical way that we offer best-of-class services to our federal customer. Tom has shown he’s the right person to lead that charge. His experience and leadership approach has already proven to be an incredible asset – I’m excited to see how he and his team evolve our digital approach.”
