

# Providing Innovative Solutions at Exceptional Value

Chugach Government Solutions is founded on integrity and serving the needs of the government customer.

Government Solutions

## A Company at the Ready

When you need services, Chugach Government Solutions (CGS), provides a streamlined acquisition process coupled with an experienced staff prepared to execute your requirement with operational excellence. We bring an exceptional record of safety, performance, environmental stewardship, and efficiency based programs to our contracts. CGS is a mature, NIST-compliant organization that cares for our employees and supports our customers through industry best practices in areas like human resources, competitive employee benefits, CMMI Level 3 appraisal, ISO 9001 certification, ISO 27001 certification, and DCAA approved accounting, property, and purchasing systems.

## An 8(a) Advantage

We proudly participate in the Small Business Administration 8(a) Program which enables us to provide expedient and top-quality services to our government customers while enriching the lives of our shareholders. We are committed to providing high-quality services and specialize in caring for our customers. We work hard to ensure that when you use the 8(a) program, you receive CGS' best services.
